We are shaping the future of the hospitality education system!

Dear Future Student,

With campuses throughout the United States & Spain, Hospitality Academy offers accredited education that has been specifically designed for the modern hospitality student. Students increase their knowledge with business administration courses all while focusing their studies with specialized hospitality electives, learning more about what they are truly passionate about. In addition, our programs are built to propel our students into the next level of their careers, offering practical experiences in luxury hospitality properties.

The goal of our programs is to prepare our students to lead within the hospitality industry. Through the knowledge gained in business processes and operational management, our students are able to transform an existing organization or open a successful business of their own!

We believe that everyone should have access to education allowing career growth. **We specialize in taking international students abroad and offer help with visa processes to remain in the country during and after their studies.**

We ensure our students are given all of the **tools to have a successful international career** by providing our students with an accredited education, all while being both affordable and of the highest quality.

**Hospitality Academy is more than
a school, we are your passport to
the world of hospitality!**

It fosters a large community of innovative entrepreneurs and booming startups. Those that choose to live in Barcelona enjoy a very reasonable cost of living with endless opportunities to experience Spanish culture, indulge in Mediterranean delicacies, and enjoy the active environment of the city.

For those wanting to work in hospitality, Barcelona is your professional heaven! Spain as a whole attracts more tourists than any other country in the world, next to France. At the forefront of this bustling tourism industry is the city of Barcelona. Due to its proximity to the beach, its iconic architecture, and a number of incredible tourist attractions—millions of tourists flock to the city every year.

When you start your education in Barcelona, you will gain a valuable head start with the booming industry of this city, leading to a more enriching career. Students gain impressive qualifications, and experience for their CV, all while living in one of the most beautiful cities in the world!

Welcome to the first step
of the rest of your life.

Welcome to Barcelona

**Your student life
in Barcelona:
Live and breathe
history!**

There is nothing more enriching than walking in the steps of some of the greatest artists and designers in history. This will be the journey you take every day upon traveling to and from your classes and internship. Studying in Barcelona means experiencing history and culture as a daily part of your life.

Learn one of the fastest-growing languages at its birthplace

Languages are important in any industry, especially in the hospitality industry. Spanish has currently ranked the fourth most widely spoken language in the world and is considered to be an essential language of Europe and the Americas.

Become interconnected with the global center of hospitality

Europe is both the birthplace and the global center of the hospitality industry. When studying in Spain you will be able to take advantage of the country's sophisticated travel links to explore the rest of the continent. Here are just a few examples:

- Milan- 1hr 45 min flight
- London- 2hr 30 min flight
- Paris- 2hr flight - Lisbon 2 hr flight

Enjoy life like only the Spanish do

Life isn't only about studying, to work hard you also have to play hard! While on your program in Barcelona you will have access to a wide range of nightclubs, bars, and restaurants for when you've finished your productive day and are ready to take a night off. On top of this, the city is home to many neighboring beaches and mountains for when you get tired of city life and need a more peaceful break.

STUDENT TESTIMONIALS

MARIA CLAUDIA RANILLA

PERU

Advanced Diploma in Rooms Division_Housekeeping
Campus: Barcelona

“With the help of this diploma, I discovered that housekeeping is so much more than it appears to be. It involves people, processes, procedures, and KPIs, all of which contribute to creating the guest’s perfect stay. The team at Hospitality Academy did a great job in welcoming me to Barcelona and making me feel at home right from the first day.”

OUR PARTNER HOTELS

Hospitality Academy is not simply a school, but the stepping stone to a long and flourishing career in the hospitality industry. To this day, we have partnered with numerous prestigious hotels and restaurants all across the globe to offer our students the best assistance when securing an internship or postgraduate position.

The hospitality and travel industry
is one of the biggest employers
in the world!

EMPLOYABILITY

Currently, 4 out of 10 jobs in the world fall under the hospitality sector. Having a degree in hospitality management allows students to work in one of the fastest-growing industries in the world.

General courses provide a foundation in communication and personal skills, while business courses develop the necessary skills to understand management and accounting principles.

Hospitality Academy offers online and on-campus programs that combine lectures, assignments, and work experience.

PROFESSIONAL EXPERIENCE

Hospitality Academy emphasizes the importance of practical education in shaping future hospitality professionals. By enrolling in certain programs, students will be able to gain valuable work experience while enhancing their academic competencies! Not only will students learn business and hospitality theory but they will be tasked to apply this knowledge in real-world hospitality properties.
